

President and Founder Marc Wulfraat has been named to Supply & Demand Chain Executive's magazine's exclusive "Pros to Know" List for 2018.

Montreal, February 23, 2018 - MWPVL International, an industry-leading supply chain and logistics consulting firm, announced that the company's president and founder Marc Wulfraat is a recipient of Supply & Demand Chain Executive's magazine's 2018 "Pros to Know Award".

Honoring the supply chain's best and brightest, the Pros to Know Awards recognize supply chain executives, individuals from software firms and service providers, consultancies or academia, who have helped their clients or the supply chain community at large prepare for significant supply chain challenges in the year ahead.

In 2006, Marc founded MWPVL International with the goal to provide the highest caliber of supply chain and logistics consulting services to clients seeking strong industry experience from an agnostic consulting firm. For the past 30 years, Marc has provided consulting services to Fortune 500 companies on four continents by developing and implementing global supply chain, distribution, and logistics solutions to enable world-class service and efficiency levels. Under Marc's leadership, MWPVL International has consistently grown by 30% annually and in 2017 the company achieved a record-level 150% growth rate.
